Thanks for requesting someone from the International Institute of Buffalo speak to your organization.

It is not an exaggeration to say that we get hundreds of requests per year to speak to school groups, civic organizations, worship communities, etc. We do the best that we can to accommodate all who ask.

Please complete the speaker request form accompanying this letter so we can evaluate your request, providing as much detail as possible. This will help us to ascertain the ideal person to speak. If you want a specific person to talk to your group, there is a place on the form to request them.

Please note that in exchange for one of our team taking time out of their workday or time off to speak to your group, we respectfully ask that your group provide a small honorarium to support the mission of the International Institute of Buffalo. In place of an honorarium, we ask that you do a small donation drive for goods to benefit the people whom we serve. [Here is a list of what they need most.](#)

If you have any questions or concerns regarding your request, please get in touch with me at [gdimaio@iibuff.org](mailto:gdimaio@iibuff.org). We appreciate that you thought of us to speak to your group.

Thanks!
