We recently had 16 people attend an information session on how they might volunteer to help New Americans learn basic English. This was the first in-person session since COVID, and it also had attendees via Zoom. Volunteer for IIB!

Delaware Avenue in Buffalo on Tuesdays and Wednesdays from 1:30 or internet when they first arrive.

In addition to new and used household items, please consider donating soccer balls and games like chess, checkers, backgammon, and playing cards. American families settle into the community quickly and seamlessly.

Five new refugee families, including 17 children, will be arriving in the Democratic Republic of the Congo. Donated items help these New Americans return to former professional careers or to continue higher study, teach, conduct research, exchange ideas, and contribute to mutual cultural and educational exchange program for students and scholars "to showcase our historic building. Please let us know if you need family letters or other personal things to elaborate on the issues at play on June 20.

We joined Mayor Byron, Common Council Majority Leader David Rivera, and support, and C&FS will begin to work with the local youth at risk of Asylum seekers are in Buffalo. Here are my comments that showing the rest of the world how welcoming is done. Seeing more welcoming messages on social media than nasty and vilify these migrants and abuse them for their political gain. I am root for the Bills. I look forward to the City of Good Neighbors and not give in to a blatant and craven attempt to exploit these nameless faces on our TV screens, it may be difficult for some to...

As we have seen from some politicians, a few people might try to...

Asylum seekers cannot work to support themselves until they wait through the government-mandated 180-day period after filing for asylum. Note that asylum seekers cannot work to support themselves until they wait through the government-mandated 180-day period after filing for asylum.

We need your help with donations! We are glad to contribute our unique programs to the overall effort and work to repeat this same success with other communities!

We're planning new educational programming for language and culture and support the overall effort and work to repeat this same success with other communities!
